

# Kristen Beeler

Master Energy Healer

Chakredy® Adv. Certified Energy Practitioner

Dreamscape Oracle

My background in psychology and trauma-related patterns led me to study energetics and natural medicine/healing. These studies enabled me to integrate and transform my own life as well as the clients I serve.

## How I Work

- Individual sessions - to see if we are a good fit to work together.
- 12-week Energetic Healing Support Package.
- Custom-created Dream Workshops.
- I create one-of-a-kind custom work on your behalf.

## I Specialize In

- Teaching you how and why you want to connect to your own dreamscape (surprise dreams are powerful!)
- Energetic psychology for the overwhelmed, anxious, or self-doubting.
- Mapping your energy system with accuracy and vocabulary so that you can hear and understand the language of your body--hello BIG shifts!
- Masterful energetic support using tested tools and practices.
- Clearing repeated patterns in your energetic field and cycles in your life.
- Move blocks to your success and vitality.
- Clearing energetic interferences from others around you, your job, and your environment.

## How I Can Help You

- Assess & create a clear vocabulary to describe what is going on in your energetic field.
- Support integration and healing of your entire energetic body.
- Identify and work through toxic thought cycles and patterns.
- Precise identification of energetic attachments and interferences (physical, mental, emotional, and spiritual)
- Interpret your dreams and teach you how to dream effectively.
